Hinweis: Unser gewähltes Farbdesign, insbesondere der goldfarbenen Bauteile ist von LEGO ® nicht unbedingt erhältlich und gilt daher lediglich als Vorschlag wie der Aztekentempel farblich gestaltet werden kann. Eurer Fantasie sind daher keine Grenzen gesetzt :-)

Hint: Some colors we used in our design are not available in LEGO ® bricks, so we are just offering a design how our Azteke-Temple could look like. Feel free to change colors as you wish :-)

Wir wünschen euch viel Spaß mit dem "Azteken Tempel"

We hope you'll have fun with the "Azteken Tempel"
